### Koji's speech

My name is Takeda Koji, and today I will talk about my study-abroad experience in the English Language Program at North Pacific University in Vancouver last year. First of all, I really liked the intensive English classes every weekday. My English has improved a lot. All the teachers were friendly and enthusiastic, and they sometimes stayed late to help us with our projects. I'm truly grateful to Ms. Lee, my advisor, who always responded to my problems promptly.

問1 Also, I enjoyed exploring the city. It has many good ethnic restaurants and a wonderful park near the ocean where interesting events were held every weekend. I took many weekend trips offered by the program including a visit to the Native Canadian Art Museum and boat trips to several beautiful islands.

On top of that, I totally enjoyed the student life at NPU and attended many student-organized events on campus. My most precious memory is of preparing a big exhibit to introduce Japanese culture for the International Fair. However, there was one problem, that is, computer access. The computer rooms in the Writing Center were always crowded, especially when students were writing midterm or final papers, and it was frustrating to wait so long.

しかし、コンピューターへのアクセスという問題があった。ライティングセンターのコンピューター室はいつも混んでいたのだ。特に中間・期末試験期間は学生で混んでいて、非常に長く待たされることにイライラした。

問2 I have one regret, and it's about my host family. Though my host parents and their 10-year-old son were nice people, they were so busy all the time. Both parents worked late, and the boy belonged to the local hockey team. So I often had to eat alone and didn't have much time to interact with them. I felt

envious of Yuka, who will speak after me, when I went to a barbecue at her host family's. Now I think I should have consulted the program coordinator about this problem at an early stage.

Finally, I'd like to say that this program is very good for improving your English and expanding your knowledge about different cultures.

### Yuka's speech

My name is Imai Yuka. I was in the same program as Koji at North Pacific University, though my experience was slightly different from his. First, I wasn't so satisfied with the courses offered, though the teachers were all wonderful. There were too many language classes, but only two courses that covered the history and culture of Canada.) I mean, I wish I had learned more about Canada as well as studied English. Then the benefits would have been

英語の勉強と同様にカナダについても学びたかったのだ。そうすれば利益(知識)も2倍だったのに。

Also, I had mixed feelings about the campus life at NPU. I loved the spacious lawns and nice facilities, but the campus events didn't seem so interesting to me. I know Koji had a great time at the International Fair, but I wanted to go to a concert with my host family instead. However, I was impressed by the wonderful Writing Center with its academic support. Even though it was sometimes crowded, it was worth the wait. I went there almost every weekend and learned how to write a good paper.

ライティングセンターのコンピューター室はしばしば混んでいたが、待つ価値はあった。週末はほとんどライティングセンターに行き、良い論文の書き方を学んだ

And I almost forgot to say that it was such fun to go around the city, especially to street fairs and some really great ethnic restaurants. On the other hand, I didn't take so many trips because there were lots of things going on with my host family.

問3

問1

主語節：  
私の滞在を最も興奮させ、忘れられないものにしたことは

Actually, what made my stay most exciting and unforgettable was my host family. My host father is an agricultural engineer and he has worked on projects in several different countries. Just talking with him was stimulating, and he, as well as my host mother, always helped me whenever I had problems with homework, friends, and school activities. My host mother is a violinist with the local philharmonic, and so we were able to go to the concerts every month for free. She opened my eyes to classical music, and I promised her that I would start piano lessons when I came back to Japan. They also have lots of friends. I met so many people at all the barbecues they had.
